The following people were present at the meeting: Steve Tripp (via telephone), Bart Botta, April Pearson, Robert Wilkinson, Jason Resnick, Effie Anastassiou, Ima Jean Harvey, and Martin Pelberger.

The first part of the presentation was entitled "E.Coli: When Vegetables Strike Back, and it included a very detailed and information-packed Power Point presentation to the Committee. The Committee was given an account of the various issues and problems that arise regarding E. coli, food-related illnesses, causes, trends, and methods to combat the related problems. An enlightening question and answer period followed the conclusion of the first part of the presentation.

The meeting was then temporarily adjourned so that the members of the Committee and all guests could have lunch.

The meeting was reconvened for the purpose of completing the remaining presentation scheduled for the day, the presentation entitled, "Lawyers Say the Darndest Things...On the Record." A Power Point presentation was also given for this part of the presentation, and effective communication techniques and related issues were discussed. Another question and answer period followed the conclusion of this part of the presentation.
